### Laundry Sink with Pedestal - Vitreous China

	inches	mm
A	20 1/2"	520
B	22 1/4"	565
C	11 7/8"	300
D	33 1/4"	845

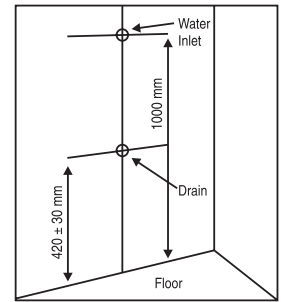

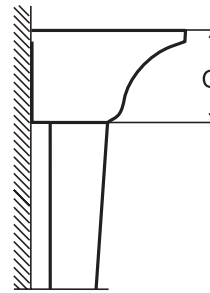

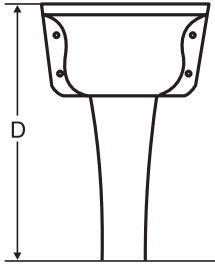

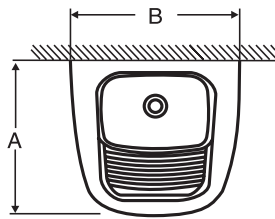

Fig.1

This china service sink has many uses for your family in the home - inside the house, down in the basement, or installed outside the house under a cover. It is useful for cleaning and washing objects and materials. The sink's volume capacity is 4.75 gallons or 18 liters. Care must be taken to not damage the enameled china surface or the entire piece itself by applying blows with hard and sharp objects.

The sink and pedestal are supplied in separate packing. The two pieces are not sold separately.

Wooden blocking must be installed in the wall between studs to support the sink.

Simulate and mark the correct location of the sink (Fig.1) and of the pedestal by placing the sink against the wall with the pedestal placed beneath it. Carefully mark the locations of the four holes for receiving anchor screws or lag bolts that will support the sink, and at the same time mark the location on the finished floor of the hole in the base of the pedestal for securing the pedestal with an anchor screw. Be careful that there will be a perfect alignment of the four holes for supporting the sink and the one hole in the pedestal's base for securing it too.

SANITEX does not supply the mounting bracket, anchor screws or lag bolts, or plumbing parts and fixtures, or metal fixtures.

#### LIMITED WARRANTY FOR SANITEX VITREOUS CHINA

If upon inspection of the Sanitex vitreous sanitary ware product, within a period of one year after its original purchase, it is confirmed that this product is defective in materials or workmanship, Sanitex will repair, or at its option, exchange the product for a similar model.

This Limited Warranty does not apply to local building code compliance. As these codes vary considerably, the buyer of this sanitary ware should verify with his installation contractor to guarantee compliance before installation.

This Limited Warranty does not cover any Sanitex sanitary ware product that has been impaired by accident, abuse, improper installation, maintenance, or removal from its original place of installation and reinstalled in another locale.

To exercise this Limited Warranty the original consumer purchaser should make a claim in writing, together with proof of the purchase of the product to Sanitex - Sanitários Togni Ltda., Av. Antonio Togni, 2441, CEP 37704-356, Poços de Caldas, MG, Brazil. The original purchaser is responsible for prepaying and bearing and packing, shipping, or other incidental expenses incurred in connection to warranty services.

The option held by Sanitex to repair or to replace the product under this Limited Warranty does not cover labor costs or other costs related to the removal, installation, transportation, or other incidental or consequential damage to the product.

Some States do not allow the exclusion to limitation of incidental or consequential damages, therefore the above exclusion and limitation may not apply to you.

This Warranty gives you specific legal rights and you may also have other rights which vary from State to State.
